

MSPRA Sign-Up Dinners

March 17, 2016

[Note: An email was sent to all conference registrants about 10 days before the event.]

Greetings,

We're excited that you're coming to the MSPRA conference! Others will be **green** with envy, when they hear that you're attending. Here's why:

In addition to stellar learning opportunities during the day, we're designing a special evening on Thursday night (**St. Patrick's Day**) that begins with sign-up dinners in one of three, unique Ann Arbor restaurants followed by a casual gathering back at the hotel to enjoy delicious desserts, connect with colleagues (both seasoned and **green**), and cheer on a team playing in the March Madness tournament.

Since Ann Arbor eateries will be busy on **March 17th**, we've already made reservations at these renowned dining establishments: [The Quarter Bistro](#), [Weber's Inn](#), and [Zingerman's Roadhouse](#). The reservations are set for 5:30 p.m. In each instance, a volunteer MSPRA host or hostess will accompany your group to the restaurant and make sure you get back to the hotel in time for our after-glow event. You'll order off the menu and receive separate checks (so you can keep track of your own **greenbacks**). Currently we have room for a dozen diners at each location. But, we can make adjustments based on your feedback. So, give us the **green** light and let us know at which restaurant you'd like to dine, or if you'd prefer to have dinner on your own.

We've provided you with a link to each restaurant so that you can see the type of cuisine offered. Please note: In addition to its regular fare, The Quarter Bistro will offer dishes with corned beef to celebrate the Wearin' O' the **Green**.

Please help us plan a memorable **GREEN** evening in the land of Maize and Blue by responding to this brief survey today (or no later than March 11th). See you in Ann Arbor.

On Thursday night (3/17) I would like to dine at:

- The Quarter Bistro (New Orleans inspired cuisine)
- Weber's Inn (prime rib, steaks and seafood)
- Zingerman's Roadhouse (really good American food that we've got right here at home)
- A different place of my choosing

Your name and email address: _____

Thank you for your input.
