Dear MSPRA Member,

Americans with Disabilities Act (ADA) compliance has been a hot topic for all of us in the education community this year. Now that we understand the guidelines, it is time to learn how to properly create electronic school documents that are accessible to everyone. Join us at Ingham ISD on June 29 for MSPRA's next Drive-In Conference: ADA Action Lab. Not only will you learn how to create compliant Word, Excel, Google Drive and PDF documents, but you will have an entire afternoon to work one-on-one with the ADA Compliance experts from Foxbright. They will help you make sure your school district's documents meet ADA guidelines and answer all of your questions.

We hope to see you in June!
