

BLUE WATER

College Access Network

Your
resource
for **life after**
high school

Design **your future!**

Be better prepared for your next step after graduating high school with the support of the Blue Water College Access Network. Join us as you explore your options, find your passion, and plan for your future. There are a lot of things to consider: schools, money, careers, and more. You may have questions. We'll help guide you to the answers.

1

PREPARE
for life after
high school

2

Make a **PLAN**
that works
for you

3

Explore what
fuels your
PASSION

bwcan.org

Visit our website often for the latest information on workshops, scholarships, deadlines, and financial aid.
