

# BLUE WATER MIDDLE COLLEGE

## 6 reasons why you should consider the Middle College:

**EARN** your high school diploma and graduate with your high school classmates.

**SAVE** money. Two years at a 4-year state public university can cost \$45,000 or more. The middle college costs \$0.

**EXPLORE** classes that are available only through St. Clair County Community College.

**LEARN** to succeed in college courses surrounded by a strong network of support.

**GROW** as a person by being more independent.

**PARTICIPATE** in your favorite high school activities, including band, sports and drama.
