All investment opportunities are offered on a first-come, first-serve basis by contacting MSPRA at mspraboard@gmail.com. The sponsorship marketing benefits are also time-sensitive depending on contract signing, publication, and event dates. The Fall Drive-In workshop is held in October each year. The Summer Drive-In workshop is held in June each year. Traditionally, MSPRA hosts its Annual Conference the second full week of March each year. MSPRA reserves the right to add and cancel professional development events throughout the year. Events are located throughout the state of Michigan to accommodate the membership. No substitutions for sponsorship investment options are permitted. For questions, please contact Zach Harig, MSPRA Sponsorship Chair, at zharig@hamiltonschools.us.

The Michigan School Public Relations Association (MSPRA) is the statewide organization for school communicators. Membership ranges from communication professionals to administrative assistants (wearing a communication hat), to teachers, and even superintendents who assume the role of district communicator. Our job is to inform our community, business, and parent stakeholders about what’s happening in our schools and engage them in our efforts, and communicate with school staff. We are often in a position to recommend the use of communication and technology tools to our audiences. We offer several professional development opportunities throughout the year that are advertised to members and non-members alike. Our conferences are smaller, emphasizing both networking and professional learning—sponsors like the informality, access to participants, and the ability to interact as fellow professionals.
